

# Helping children and teens meet and know God in the everyday

families · friends · churches · leaders  
together

*'This course was amazing! Practical, fun and thought-provoking. I was buzzing to go practise what I had learnt and discussed every week.'*

*'It's transformed how I share faith with the kids. Having been raised in a non-Christian home, I felt clueless before, but this has totally been a game changer!'*

Parenting for Faith is a BRF ministry that encourages everyone who disciples children and young people through the ups and downs of everyday life.

### The courses

Free video courses that equip families to easily and naturally help children and teens connect with God in daily life. Choose from the original course, the babies and toddlers bitesize course or the parenting as a church leader course.
